SDPB Presents History Programs in Honor of America's 250th Anniversary

In honor of America's Semiquincentennial, SDPB is broadcasting 50 programs that highlight the history of South Dakota and the United States. Local and regional shows highlight the American Bison in **The Buffalo of the Northern Plains**, a unique stop for GI's off to fight in **Aberdeen's Pheasant Canteen**, and South Dakota's female veterans in **Standing Tall: Women in Uniform**. You'll see the lesser-known story for the birth of the Interstate Highway system in **After Ike: The Journey that Changed America**, Bob Hope's role in maintaining morale for soldiers and sailors in **Miles, Morale and Memories: Bob Hope and World War II**, and learn about the fraught **Waal River Crossing 1944** made famous in the film *A Bridge Too Far*.

The **National Memorial Day Concert 2026** is America's national night of remembrance live from the West Lawn of the U.S. Capitol. Hosted by Joe Mantegna and Gary Sinise, the 2026 concert features personal stories and tributes interwoven with musical performances by world-renowned artists and the National Symphony Orchestra to commemorate the real meaning of the holiday. Watch it Sunday, May 24.
