Custer State Park Buffalo Roundup

The 61st Annual Custer State Park Buffalo Roundup is Friday, Sept. 25th. SDPB offers live coverage of this unique event beginning at 10:30 am Central, 9:30 Mountain on SDPB2 TV, on SDPB Radio, and online at SDPB.org. Custer State Park is home to one of the largest American bison herds in the world. The annual roundup takes place to check the health of the herd and balance the bison population with the available land and resources. The event, open to the public, attracts more than 14,000 people each year.
